

TESTIMONIALS

We pride ourselves on delivering the best customer service and vending solutions to all our customers. But as they say, don't take our word for it.

Brian Lucas has made healthy vending products a hit at our schools because he is customer-friendly and customer-focused. He asks our students what they want and then he delivers.

**- JIM SZCZEPANIAK,
COMMUNITY RELATIONS DIRECTOR,
NILES TOWNSHIP HIGH SCHOOL
DISTRICT 219**

Leangreen Healthy Vending has the most impeccable customer service than any of my other vendors. From the open line of communication, honesty, integrity, and quick turnaround time, it is always a pleasure working with the Leangreen team. I've been able to develop a strong relationship with Leangreen's owner: Brian, who is one the most upstanding individuals I have ever encountered. He's always offering an analysis of consumption to make sure we are getting the best machines and products to serve my company very well. Brian and the Leangreen team makes you feel like family and not a customer; for that, I'll always support them!

**- RANDALL W. WALKER, OFFICE
MANAGER, MSDSONLINE**

I can't seem to keep the machine full! Our employees really enjoy the healthy choices provided by LeanGreen!
